

# Privacy Policy

Effective as of May 1, 2018, Corevist, Inc., (“Corevist”) and its subsidiaries, (collectively, the “Corevist Group” or “we” or “us” or “our”) have updated our Privacy Policy (“Policy”).

## Introduction

Corevist Inc., including its controlled subsidiaries and affiliates, (collectively “Corevist”) is committed to protecting your privacy. This statement details the steps we take to protect your personal information when you visit our websites or use an online application that contains a link to this statement (collectively, the “sites”). This statement also covers information we receive when you contact us (e.g., to submit a comment or query or to seek support with one of our products or services). It describes the personal information that we collect, the purposes for which we use such information and your choices regarding our use of it. The steps we take to protect your personal information and how you can review and correct your personal information are also covered here. By accessing our sites or providing us your information when you contact us, you are consenting to the information collection and use practices described in this privacy statement.

For purposes of this statement, “personal information” means information that identifies a particular individual, such as name, postal address, email address or phone number. When other information, such as email newsletter choices, product purchases or consumer product preferences, is associated with personal information, this other information also becomes personal information.

## **Our collection of information**

Information collected directly from you. Generally, you can visit Corevist's sites without entering any personal information. On certain pages, we may ask you for personal information to provide a service or carry out a transaction that you have requested. You may also provide some personal information to us when you contact us (e.g., with a comment, inquiry or customer support request). The personal information we collect or receive may include:

- contact details, such as your name, title, company/organization name, e-mail address, telephone and fax numbers and physical address;
- information about your company and job function;
- your e-mail marketing preferences;
- financial information (including credit card or account information);
- information, such as your nationality and country of residence, that allows us to determine your eligibility under export control regulations to receive information about certain technologies;
- information used to customize and facilitate your use of our sites, including login and technical information;
- inquiries about and orders for our products and services;
- information that assists us in identifying the products and services that best meet your requirements;
- event registration information; and
- feedback from you about our sites and our products and services generally.

You are not required to provide any of this information, but if you do not, we may not be able to provide you the requested service or complete your transaction.

Information collected automatically. We collect information about your visit to our sites, including what pages you view, the number of bytes transferred, the links you click, the materials you access and other actions taken within Corevist's sites. We may combine this information with your personal information to and use the combined information in

accordance with this privacy statement. We also collect certain standard information that your browser sends to every website you visit, such as your Internet Protocol (IP) address, your browser type and capabilities and language, your operating system, the date and time you access the site and the website from which you linked to one of our sites. We do not combine this standard information with other personal information.

### **Our use of information**

Services and transactions. We use your personal information to deliver services or carry out transactions you have requested, including, but not limited to, providing information on Corevist products or services, registering purchased products, processing product orders, handling warranty claims, replacing product manuals, answering customer service requests and facilitating the use of our sites. In order to offer you a more consistent experience in your interactions with Corevist – including, but not limited to, learning about you and how you interact with and use Corevist products and services; developing and managing our products, services and customer care; and providing you with information about Corevist products and services that you may be interested in -- information collected by our sites may be combined with information we collect or acquire through other means.

Website and product improvement. We may use your personal information to perform business analyses or for other purposes to improve the quality of our business, our sites and Corevist products or services (including new products or services), or to make our sites easier to use by eliminating the need for you to repeatedly enter the same information or by customizing our sites to your particular preference or interests.

Communications. We may use your personal information to inform you of products or services available from Corevist in which you may be interested and to send you surveys regarding your use of Corevist products and services. You can opt out of receiving promotional communications from us by contacting us using the contact information listed in this privacy statement. Moreover, each promotional e-mail communication we send includes an unsubscribe link allowing you to stop delivery of

that type of communication. If you elect to unsubscribe, we will remove you from the relevant list within 10 business days.

Employment Applications. In connection with a job application or inquiry, you may provide us with information about yourself, such as a resume or curriculum vitae. We may use this information throughout Corevist for the purpose of employment consideration. If your application or inquiry is unsuccessful, we will keep the information for future consideration for a limited period of time, unless you direct us not to do so.

In addition to the uses listed above, we may use the information we have collected in order to detect, prevent and respond to fraud, intellectual property infringement, violations of our Terms & Conditions, violations of law or another misuse of the sites.
